# A MESSAGE FROM THE TEACHERS AT MARIAN ACADEMY CATHOLIC SECONDARY SCHOOL...

Sept 12-13

**FACT:** The Ontario Government Wants  
Every High School Teacher to  
Teach an Additional Class.

*This means...*

- teachers will have 22 to 30 more students on a daily basis
- increased marking and evaluation time for student work
- increased preparation time required for additional class
- less time per student

**QUESTION:** When does the  
Harris Government Propose  
That Teachers  
Find Time To...

- provide students with extra help outside the classroom?
- coach school sports teams?
- organize clubs and special activities?
- mentor students?
- organize field trips?
- meet with parents?
- provide hall and cafeteria supervision so schools are safe?
- mark more tests, exams, essays and assignments?
- prepare mid-term and end of term reports?

# CARDINAL CARTER ACADEMY FOR THE ARTS

## WHAT DO WE WANT FOR OUR STUDENTS?

We serve students aged 12-19 years old, throughout the Greater Toronto Area. Our regular academic program finds expression in such things as rehearsals, performances, and gallery showings. All of these are integral to the creative process and life of the school.

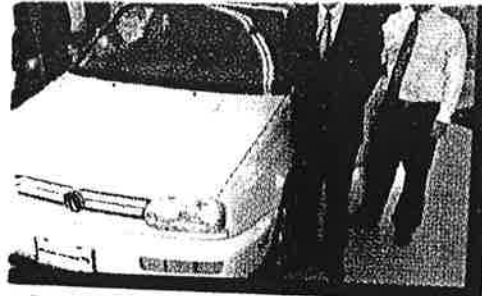

## IMPACT OF BILL 160

- Additional teaching assignments reduces staff availability
- Severely reduced performance schedule
- Staggered school days result in a fragmented community
- Less time for rehearsals and tutorials
- Cloakroom as a classroom; library as a classroom

PARENTAL INVOLVEMENT HAS MADE THE DEPTH AND SUCCESS OF OUR PROGRAMS POSSIBLE.
