FAXED

Dear Principal, Vice-Principal, Secretary:

Earlier we faxed an invitation to all Catholic School Advisory Council Members and principals to attend an information meeting regarding the Toronto Catholic School Board's ongoing lockout of its secondary school teachers. At this meeting TSU will be prepared to give out information and share concerns.

The meeting is scheduled for 6:30 PM at the Howard Johnson Hotel which is located on Keele Street just north of the 401 (East side).

We have since learned that the Board has planned a similar meeting for 8:00PM at the Catholic Education Centre (Shepherd at Yonge).

We would greatly appreciate it if you could assure the members of your advisory council that TSU's meeting will be over in plenty of time to allow them to attend the Board's meeting as well. This way they can study both sides of the dispute.

Thank you in advance for your help. As a community, working together, we will hopefully get this settled in the very near future.

God bless.

Jim Barnes,
Recording Secretary, TSU Executive.
